

Westhampton Garden Club Scholarship

Description: A \$3,000 scholarship will be awarded to a Westhampton Beach High School or Hampton Bays High School graduating senior who has demonstrated an interest throughout the high school years in environmental science, conservation and/or any of the botanical fields, including agriculture, horticulture and landscape design, by active participation in, for example, clubs, classes, paid or volunteer work.

Application Deadline: April 15th

To be considered all applicants must enclose:

1. a completed application form
2. two letters of recommendation
3. an essay (see application form)
4. a high school transcript
5. proof of acceptance into an accredited college or university

All materials should be sent to:

WGC Scholarship Chair Westhampton

Scan and email all material to: Diane Stewart: grandma3stewart@gmail.com

subject: wgc scholarship

The Westhampton Garden Club trusts that no matter your future career path, your interest and participation in conservation and the environment will continue.
